## Summary

This report shows the trends in transfers from MCTC to other institutions, within the MnSCU (Minnesota State Colleges and Universities) system or outside of the MNSCU system, during given fiscal years FY06, FY07, and FY08.

Table 1 shows the unduplicated count of student who transferred from MCTC. Table 2 shows where student transfer records are sent from MCTC. Note that more than one transfer record can be sent per student.

**Table 1 (Student Transfers) Field Definitions**

Field Title	Description
Total Number of MCTC Students Transferring to:	The number of students transferring from MCTC.
Transfer Students Number	The number of students transferred from MCTC to another institution.
Transfer Students Percent	The proportion of the total number of students transferred from MCTC.

**Table 2 (Transfer Records) Field Definitions**

Field Title	Description
Receiving Institution	Educational institutions within and outside of the MnSCU system where MCTC has sent student records.
Transfer Records Number	The number of student transfer records (i.e., transcripts) sent from MCTC to another institution. Note that a student could send records to more than one institution. Therefore, the transfer record is not an unduplicated count of students who transfer, see Table 1.
Transfer Records Percent	The proportion of the total number of records sent to the institution types.
